Pouring out God's love

Jesus was filled with God's love. You're filled with God's love, too. Out of love, Jesus changed water into wine. Out of love, how could you help these two?

No one wants to play with me.

Thank you, God, for filling me up with your love. Amen

Kids Celebrate

Second Sunday after the Epiphany

Gather

Welcome to worship.

Green is the color of growing things. During the church season of Epiphany, green can remind us that we grow in our learning about Jesus. Do you see green in your worship space?

What did you learn about Jesus today in worship? Inside each flower, write one word that describes Jesus. Add drawings of your favorite flowers.

The Wedding

John 2:1-11

Jesus was invited to a wedding. The groom was sad when he ran out of wine for his guests. Jesus asked someone to fill six stone jars with water. Surprise! Jesus turned the water into wine. Now the guests had wine to drink. Jesus surprised the people to teach them about the power of God's love.

In this picture, draw the faces of Jesus' friends who were sad because the wine was gone. Write *No wine!* in the cartoon balloon.

Filling up with God's love

Each time we worship, God fills us up with love until we're overflowing. God wants us to share that love with people around us. Write one of these parts of the worship service inside each level of wine in the jar. In the puddle of over-flowing wine, write one way you can share God's love.
